# NEWSLETTER

September 2023

## Message From Your Admin Team

Staff would like to take this opportunity to welcome back each family to Peter Greer Elementary – the home of the Eagles! For those families affected by the wildfires, please let us know if there is anything we can do to help during the transition back to school. We are a proud school in the heart of Lake Country. On our [website](#), you will be able to find information about our staff, parent newsletters, various activities, events, and school procedures and policies. Our Parent Handbook can be viewed [here](#). We will make every attempt to keep our site up to date so that anyone visiting it will find it current and informative.

Welcome to all our new Kindergarten students and parents, to all students joining us for the first time, and to all returning students. Students and parents can look forward to working with a highly energetic, talented, positive, and caring staff. The much anticipated first day of school, **Tuesday, September 5** is approaching quickly! Please make arrangements to pick up your child at 11:00 am. School year beginnings are always filled with so much excitement, curiosity and desire to embrace all the new opportunities that exist. We have a rich, diverse student body, coupled with a dedicated staff and supportive community of parents. What a perfect balance to help ensure a positive, productive new school year. Join us in making the very most of our year together. Thank you to our fantastic custodial staff for their hard work over the summer getting our school ready for September. The school looks great!

Mr. Bischoff, our Vice Principal, and I are committed to ensuring a safe and caring learning environment for all students and staff in our school community. We are committed to providing an educational experience designed to meet each student's needs. We will do our best to communicate relevant information to the school community, and we will articulate and plan a direction to continually improve life at Peter Greer. Our focus areas this are as follows:

- |              |  |
|--------------|--|
| Priority # 1 | Continued reading success in grades 1-5.   |
| Priority # 2 | Improve writing skills in grades 1-5.  |
| Priority # 3 | Building social-emotional resiliency K-5.  |
| Priority # 3 | Maintaining positive relationships and connections amongst staff, students, and parents. |

## You're Invited! Parent-Teacher Meet and Great

On Friday, September 15, we will once again set aside from 8:00 to 8:30 am and open up our classrooms to parents wanting to meet their child's teacher. Come and join us for some coffee, a muffin and some casual conversation with our teachers and staff!

## Student School and Cultural Fees

Parents need not worry about purchasing school supplies for their child. The school bulk purchases supplies and passes on the savings to parents! Teachers will hand out supplies as needed which helps keep things organized and allows students access to supplies when they run out. Also, art supplies such as construction paper, drawing paper, bristle board, glitter, pipe cleaners, popsicle sticks and many other incidentals are covered by these costs. **School supplies fees are \$35.00.** The prompt payment of "School Supply Fees" by our parents does much to keep our record keeping efficient. Unless other arrangements have been made, we expect that all fees will be paid by October 1<sup>st</sup>.

**If you are unable to pay your child's school fees, please contact administration. Thank you for your efforts in this regard.**

**Cultural Fees** - Schools also charge a \$10.00 Cultural Fee. This fee provides various cultural performances and concerts in our gym throughout the school year. The performances include live theatre, musicians and other talented groups that have been carefully selected by a District Committee consisting of both School District personnel and parents.

Parents are asked to pay online (<https://centralokanagan.schoolcashonline.com/>) by October 1<sup>st</sup>. By doing so, you may be eligible to win a refund of your school fees.

## Meet the Teacher Conferences

**Wednesday, October 4<sup>th</sup> and Thursday, October 5<sup>th</sup>, 2023**

Our first Parent-Teacher Conferences will take place on October 4<sup>th</sup> and 5<sup>th</sup>, 2023. There will be an early dismissal at 12:30 on both of these days to accommodate afternoon and evening appointments. These conferences are a great opportunity to share information between home and school, update parents on their child's progress, and set learning goals. Some teachers encourage students to attend with their parents so please check with your child's teacher. Information will be communicated by teachers closer to the date of the conferences.

## Staffing and School Organization Updates

We have had very few registrations (all English) over the summer, not including those who have been waitlisted at Davidson Road and Oyama, that will most likely become ours once they figure out how many spaces opened up from families moving in. Our projected enrollment is 385 students. We are full in French Immersion grades K-3, but, have a few open seats in grades 4 and 5. In English, we have space available in all grades and as mentioned, are waiting to hear from DRE and OTS to see how many students we may need to accommodate. Welcome to the following new temporary additions to our staff:

<b>Kelsey Hassell</b>	Grade 3/4	<b>Michaela Bray</b>	Grade 4/5
<b>Rebecca Carr</b>	Music/Prep Primary

## 2023-2024 Class Lists

Class lists will be posted on our website (by student PEN #) **after 3:00 pm on Friday, September 1, 2023**. Class lists will also be displayed in the school's front windows (by student name) on the first day of school. Please Note: If you are looking for your child's PEN number, it was included on the June report card. Due to the *Freedom of Information Act*, we are not permitted to post names for more than an hour on the first day of school.

We started the process of placing students in classes in May, but we do not complete the process until after the registration period in the last week of August. Your child's teacher in May and June played a significant role in making these decisions. Other teachers, as well as Administration also participate and, in some cases, staff from support services (i.e., Learning Assistance Teacher, Counselor, Resource Teacher) are also consulted. The development of class lists is given a great deal of time, careful thought and understanding with the knowledge teachers have of each student and what will be in the child's best interest. Because teachers see how students function in a classroom every day, they are confident that they can make a suitable placement for your child. There are many factors that are considered in the process:

- Academic achievement
- Class size, composition and balance between boys and girls
- Student special needs
- Learning and teaching styles
- Social groupings
- Teacher and School Based Team recommendations
- Instructional groupings
- Previous placement history

It should be noted that there are a number of additional factors, including changing enrolments, Provincial class size and composition legislation, and budget restrictions, that make the placement of students a very complex issue. Therefore, parent requests will be accepted as input, but should not be considered as the driving force behind placement decisions. Our goal in creating each classroom composition is to provide the best possible educational placement for the students within the various constraints of the system within which we function. We appreciate your understanding of this very important issue.

We will re-assess the class and school organization after the August registration period as we become aware of any enrolment changes that have taken place over the summer. As is the case every year in all schools, teaching assignments and class organizations are subject to change in the fall. Requests for placements are considered during the class building process, but not all can be accommodated for a variety of factors and we are not in a position to accommodate parent requests for students to be 'switched' from one class to another once classes have been set. In this process, the Principal has the ultimate responsibility under the *School Act* for the final decision regarding placements of students.

# Important Traffic Safety Information

A recent Health & Safety assessment conducted by the school, in consultation with the District's Traffic Safety Officer, the RCMP, the District of Lake Country Bylaw Officer, and the Parent Advisory Committee determined that the use of the 'Kiss and Go Lane' between the hours of 2:00 to 3:00 pm poses a risk to adult and student pedestrian safety. Therefore, please be advised that the 'Kiss and Go Lane' is closed from 2:00 p.m. to 3:00 p.m. during the school week to all traffic except emergency vehicles. The Kiss and Go Lane remains open for the morning drop-off. Please use the marked lane on the left side. It is single lane traffic only and parents do not need to wait to get to the front of the line anymore. Students can be dropped off anywhere in the lane as the right hand side is now used for foot traffic. This should make the drop off process quite a bit faster.

If parents do not choose to use the Kiss and Go Lane, there is also ample parking on the surrounding streets (a luxury compared to some schools). Our recommendation is that parents plan with their children to meet in a designated location on the street. The safest option for parents of younger children or for parents who have concerns is to park on the street and either accompany your child to the school in the morning and/or pick up your child at the school and walk with them back to your vehicle after school.

We realize that some parents will be inconvenienced by this course of action, but it is important for us all to put the safety of our students first!

## School Based Team

As a parent, you may be invited to a School Based Team (SBT) meeting. The SBT is a group of school-based personnel who work collaboratively with parents to best support their children in developing their academic and social/emotional skill set and by suggesting, providing, and implementing variety supports and strategies.

### Who is on the team?

The SBT includes the following members:

- Principal and/or Vice Principal
- Learning Assistance Teacher (SBT chair)
- Classroom Teacher

Often the SBT can also include:

- School Counselor
- Speech Language Pathologist

On a case by case basis the SBT can include:

- Resource Teacher
- Aboriginal Advocate
- Outside community support (pediatrician/therapist etc.)
- District Student Support Services staff

At the SBT meeting, we will discuss what is working well for your child, highlight areas of continued growth, review any background history and brainstorm ideas of possible supports to be put into action. Please connect with Danielle Petryshyn (LAT and SBT Chair) if you have any questions. EMAIL: [danielle.petryshyn@sd23.bc.ca](mailto:danielle.petryshyn@sd23.bc.ca)

## Strong Start Early Learning Centre

Participate with your young child (aged birth to five) in play-based early learning activities – including stories, music, and art. At no cost to families, this early learning drop-in program helps children develop the skills for a successful transition to Kindergarten. Open during school hours. StrongStart programs provide school-based early learning services for families or caregivers and their pre-school aged children. The programs are intended to fill a niche for young children who are not attending childcare and are in the home with their parent or other caregivers, such as grandparents or nannies. Both children and adults benefit from StrongStart BC early learning programs – children have access to high-quality

learning environments and benefit from social interactions while the adults who accompany them learn new ways to support learning, both at the program and at home. Please call the school for more details or check our online calendar which shows days where the centre is closed. The entrance is on the right side of the building and is clearly labelled. We anticipate the first day to be Monday, September 18. Click [here](#) for more information. Our StrongStart Facilitator is Nicole Kierstead.

## Home and School Communication

We are always interested in enhancing our home/school communication. Here are a few ways that we plan to keep you informed about what's happening at the school...

**School Calendar** – All dates, field trips, special events, and anything of importance to our community will be on our School Calendar on our website. There will not be a paper copy of the monthly calendar published. There are two reasons for this. One, having a single source for storing the information minimizes the chance that an incorrect date is published. For example, once a paper copy goes out and there is a subsequent date change, you can't pull back all the paper copies that were printed off. Second, the online calendar is accessible from any device at any time. -Parents and students can view our web calendar on the main page (just click on the little blue arrow) to get the most accurate, up to date information without wasting paper and harming our environment. The web calendar also allows parents to view months in advance all the way to June. Of course, parents who do not have access to a computer can still request a paper copy in the office.

**Weekly Email Updates** – Every weekend, we will send a **Week-At-A-Glance** email to families. This will include weekly announcements, informational items, and calendar updates.

**"School Messenger"** – Occasionally, you will receive a brief message on your phone, text or email to let you know of important reminders or unexpected changes to the school calendar or important reminders.

**School Website** – We will be using our website as a means of enhancing home and school communication. We will do our best to update the page on a weekly basis. our website is updated regularly and is another source of information for you. Check it out at [www.pge.sd23.bc.ca](http://www.pge.sd23.bc.ca).

**School Newsletter**—This is probably the most common way to keep up on what's happening at PGE. However, we also want to cut back on the use of paper to help out mother nature! Therefore, all our newsletters are published on our website. Parents may also request a copy from the office in person. All monthly newsletters are posted on the website on or near the first of each month. An email will be sent out notifying parents when each newsletter is ready for viewing and a link to its location.

## Plastic Spoons and Forks

In an effort to reduce the amount of plastic in our landfill and ultimately in our lakes and oceans, we do not provide plastic forks and spoons for students. We are encouraging families to send reusable cutlery when packing a lunch requiring a fork or spoon.

## Allergy Awareness Zone

We have a number of students at PGE who are at extreme risk due to nuts, nut products, peanut oil or flour as well as kiwis. These students do not have to ingest nuts; they can have a life-threatening reaction to airborne particles or residue left on surfaces. For the safety of all our students, PGE is declared an ALLERGY AWARE SCHOOL and we ask your cooperation by not sending these products to school. This includes but is not limited to peanut butter, granola bars with nuts, chocolate bars with nuts, trail mixes with nuts, etc. Please read labels. If one of these children is in your child's class, you will also be receiving a letter shortly outlining the procedures requested for keeping the student, class, and child safe.

All our staff have been made aware of this situation have been instructed in the correct procedures regarding anaphylactic shock by the school nurse. Prevention, of course, is the best approach and, therefore, we are requesting your cooperation by reinforcing with your children the importance of washing hands before and after eating and if possible, refrain from sending any products containing nuts to school with your child.

## Have a Concern? Here's How to Get Help

From time to time, students or parents may disagree with the decisions or actions of teachers and/or administrators concerning the education, health, or safety of students. Some areas, which may raise concerns, relate to the assignment of students to classes or courses, grading practices, participation in or exclusion from school activities, or student discipline. Students or parents who disagree with or wish to question decisions or actions that are taken by teachers and/or administrators are expected to seek a resolution by pursuing the following steps:

**Step One** – the person with the concern must make every attempt to meet with the employee who made the decision to try to reach a solution.

**Step Two** - if the problem is unresolved, the person with the concern shall meet with the Vice Principal or Principal.

**Step Three** - if the person with the concern is not satisfied with the response provided by the Principal, he or she shall contact the Assistant Superintendent for Peter Greer Elementary at the School District Board Office. His name is Jamie Robinson and the number to call is 250.860.8888.

All concerns are taken very seriously, and every attempt will be made to resolve a concern in a timely manner once all the information has been gathered and options considered.

We are pleased to announce that our school has been accepted into the  
BC School Fruit and Vegetable Nutritional Program

(Administered by the BC Agriculture in the Classroom Foundation and supported by the Province of British Columbia and the Provincial Health Services Authority)

Our school is involved in a province-wide healthy living initiative. One of the goals is to encourage healthy eating by providing fresh BC fruits and vegetables to our students *during class time*. Our students will receive these healthy treats 12 times over the school year at **no charge**!

For students in grades K-5, there is also the option to have milk delivered along with the fruit and veggies, again, at **no charge**.

(A percentage of +Milk delivery will be fortified soy beverage for people with lactose sensitivities)

To ensure every student's health and safety please return this consent form.

## Food for Thought

Our school's breakfast and snack nutrition program is proudly funded by President's Choice Children's Charity Fund and operated by Food for Thought. President's Choice Charity Fund has approved this year's grant for \$10,000! Thanks to their support, we are able to offer our students a healthy meal or snack during the school day. Food for Thought provides free breakfast for up to 1600 school-aged children a day across 30 schools. Nutritious breakfast items are made available

each weekday morning before classes begin. While this program is geared toward students facing food insecurity, any student is welcome to sit with their friends and share a meal in a safe and inclusive environment. Thank you to **CEA Connie Radis** for coordinating this program and Vice Principal Sanbrooks for applying for and receiving grant money for this program from President's Choice.

## Volunteers

As with any great organization, we rely on parent or family volunteers for many of our activities and initiatives. At the end of the day, it's all for the students! We are looking for help for the following. Please keep in mind that the time commitment is not that much, especially when you have enough people stepping up.

- Yearbook
- Hot Lunch
- Field Studies and Various School Events
- BC Fruit and Veggie Program

If you or anyone you know could lend a hand, please contact our office. Extended family members also make great helpers! Volunteer packages are in the office and will need to be completed prior to commencing any volunteer work.

## Student Information Verification Forms

With all the students in their intended classes, we can send home individual student information forms the first week of school. Please complete the form so that the data in our school computer is as current as possible.

**It is essential** that information regarding “Emergency Contacts” and phone numbers be provided for our staff to use if we need to contact you quickly.

## Attendance Procedures/Late to School

The School District uses an electronic/app system for reporting student absences. The new system is a **safer** way to keep account of our students. You can enter absences in three ways, although we highly recommend using the School Messenger App, available in the App Store or Google Play. You may also enter an absence using the online parent portal or by simply calling the school and following the 'prompts.'

A student's timely attendance at school is central to success at school and is also a lifelong skill valued by society. We hope that you support us in setting this expectation. Often, the most crucial information is given at the start of the day; the tone is set and goals for the day are being discussed. All students who arrive late must ***check-in at the office*** before going to class. In order to maintain a safe environment, please sign-in at the office with your child or send a note to confirm your knowledge of the late arrival.

## Student Accident Insurance

Central Okanagan Public Schools does not insure expenses for student injuries that occur on school grounds or during school activities. Parents and guardians can voluntarily purchase private accident insurance. The Kids Plus Accident Insurance Program that was previously offered to our students was discontinued in 2019. The IA Financial Group now offers the Family Accident Reimbursement Plan (FARP) which is a voluntary plan that provides coverage for students and their families against accidental injury, unexpected medical expenses, and critical illness.

# PARENT ADVISORY COUNCIL (PAC)

As parents of students at Peter Greer Elementary, you are all members of the school's Parent Advisory Committee. We hope that you will join us to help create a fun, supportive and caring community for all Peter Greer students.

## Who is the PAC?

All parents and guardians of Peter Greer students are part of the Parent Advisory Committee (PAC).

## What does the PAC do?

The PAC's role is to enhance the educational experience of our children at Peter Greer. We help strengthen the school community by organizing events and volunteer opportunities. We raise funds to provide our children with extracurricular experiences and help fund things like the fish tank, new books, and equipment. We advocate for public education, provide leadership in school and encourage communication between parents, school administrators, teachers, and students. And we run the Tuesday Fun Lunch program! Sign up for one or more shifts by going to this link <https://signup.com/go/pgpac>

## Where Can You Connect?

If you have any questions regarding the PAC team, please feel free to connect with us and follow us on social media on upcoming events and fundraising goals.

**Follow us on Facebook:** <https://www.facebook.com/ParentsPGE/>

**PAC Executives Email us:** [pge.pacpresident@sd23.bc.ca](mailto:pge.pacpresident@sd23.bc.ca)

**PAC Hot Lunch Email:** [Petergreerhotlunch@gmail.com](mailto:Petergreerhotlunch@gmail.com)

**Join us for our next PAC meeting on Tuesday, September 12 at 6:00pm in the Library**

(online option available at <https://sd23.zoom.us/j/2735419423> Meeting ID: 273 541 9423)

The Peter Greer Elementary PAC meets on the second Tuesday of each month to consider school issues of concern to parents, to organize parent education and to plan ways of supporting school programs. Our vision is to build community ties and enrich the educational experiences of our children. Meetings are conducted according to the constitution and by-laws of the PAC, and the Executive is elected by the parents annually. The Principal and/or Vice Principal attends the PAC meetings to facilitate consultation between the school and PAC. Plan to attend these meetings, as it is your way to keep informed of important information and events that will impact your child's education.

The Executive for the current year is as follows:

President: Taylor Conlin  
Vice - President : Josh Goode  
Past President: Danielle Lamb  
Treasurer: Danielle Lamb and Penny Liao-Lussier  
Secretary: Stefanie Schumer  
Members at Large: Erin Talbot and Kellie Ozanne  
COPAC Rep: Caitlin Harper

Other PAC Roles:

Fun Lunch Vendor/Systems Coordinator: Jane Sansun  
Fun Lunch Volunteer Coordinator: Vacant  
Fruit & Veggie Program Coordinator: Sasha Yunick  
Yearbook Coordinator: Sue Manzuik  
Fundraising Coordinator: Justine D'Amico (seeking another co-coordinator)  
Art Cards Fundraiser: Darci Vickery  
Events Coordinator: Laura Murphy  
Social Media Coordinator: Erin Talbot
