Daily Health Check

Everyone going into to school must complete a daily health check, including staff, visitors, and students. A daily health check means checking yourself or your child for new symptoms of illness, including symptoms of COVID-19.

Symptoms of illness (including COVID-19) include things like:

• Fever or chills • Cough

• Difficulty breathing • Sore throat • Extreme fatigue or tiredness

• Loss of appetite

• Runny nose • Sneezing • Nausea or vomiting

• Headache • Body aches

• Diarrhea • Loss of sense of smell or taste

This is important to stop the spread of illness, including COVID-19, in schools.

You can attend school if:

- Your symptoms are consistent with a previously diagnosed health condition (e.g., allergies), OR
- Your symptoms that have improved to where you feel well enough to return to regular activities,

If diagnosed with Covid-19, in addition to the above:

As per the **BCCDC** you may return to school when your fever has resolved.
