Parent Appreciation!

The staff at Peter Greer would like to say a **HUGE thank you** to all of our PGE families for their continued support.

We recognize that parents help in many different ways: some work directly with children in the classrooms, others attend field trips as volunteers and some even donate clothing. Many of you join the PAC which helps immensely by fundraising for school equipment and projects, organizing fun lunches on Thursdays, compiling, editing and selling the yearbooks, setting up lunch activities/clubs, ordering PGE spirit wear, hosting our very popular Harvest Social and Family Fun Night, and so much more! Others among you help out at home by reading with your children, supporting classroom projects and homework assignments, by communicating regularly with the teachers and by being positive supporters of all that we are trying to do. All of these types of support are important in the education of your children. We'd like to show our appreciation to those who continue to support our students both at school and at home, so in the last week of June we will have a few ways to say thank you:

Tuesday, June 27: 8:00–8:30am - Coffee and Cake in the Courtyard PLUS a Drive-Thru Breakfast

For those who drop students off at the building, please join us at the main entrance/courtyard for a coffee/tea and a breakfast treat. Our staff will be there to greet you and to say thank you in-person. For those of you who drop off students in our 'drive-thru', you will receive a hot coffee/tea and breakfast treat 'to go' as you head off for the day.

Thursday, June 29: Final Assembly at 12:15

For those who have helped out in the classroom, on our PAC or with any school events, clubs, groups or activities this year, we will be sending you an invitation to join us for our final assembly after lunch on the last day of school.

We hope that you all have a great summer break and we look forward to seeing most of you again in September!
