Play is the Way –

Feelings like nothing more than to take charge of actions. Don't let them. They are, and are meant to be, the servants of thought. As servants they reward our lives with a latitude of experiences. As masters they lead us to ruin.

Thank YOU: Thanks to our PAC and all of the families that helped show appreciation for our teachers last week. We appreciate your kindness!

Communicating Student Learning: Information regarding your child's progress will be sent home on Thursday, March 14th, 2019.

Lost and Found: There are hundreds of unclaimed items in our Lost and Found. We have laid all items out on tables, which are located down the gym hallway. Please take a moment to have a look for any lost items before Spring Break. Items will be on display until March 15th, 2019. **All remaining items will be donated on March 16th, 2019.**

ADHD Inside Out Seminars – Making ADHD Work for You – This seminar takes place in Kelowna on April 13th. Click on the link to learn more - <https://bcinterioradhdclinic.com/coach/adhdinsideout/presentations/w4u.html>

COPAC Presentation: Tracey Beckett, Regional Network Coordinator for the Family Support Institute of BC (FSI), will be presenting at the April 1st COPAC Meeting starting at 7:00 pm. FSI is a provincial not for profit society committed to supporting families who have a family member with a disability.
