Foundation Skills Assessment - January 18 to February 26

Our grade 4 students will be writing the FSA during the period between January 18 to February 26. The assessment takes about 4.5 hours to complete and includes sections on reading, writing, and numeracy and there are both written and online sections so spreading it out over a longer period of time is probably best for the students. The FSA provides a limited “snapshot” of how well BC students are doing in these areas. The FSA is NOT designed to determine the learning needs of individual students. Using FSA results to “rank” schools is inappropriate and damaging and this practice is not endorsed by any of our partner groups or the Ministry of Education.

Staffing Update

Please welcome **David Marple**, our new 10 – 2 shift touch point cleaner. Best wishes to Vernon on your new bus route and a speedy recovery from your surgery.
