International Travel and Kids Under 12 - Some parents have been asking about the rules for international travel. Although not required to quarantine, children who travel internationally cannot return to school, daycare, or camp until 14 days after returning to Canada. [Here](#) are the details.

SEL Family Read Aloud – click [here](#).

PGE's Response to the flooding crisis: We are all aware of the catastrophic flooding across the province and including our neighbor, School District No. 58, which comprises the communities of Merritt and Princeton. Some of you may have direct connections to those impacted. Our Leadership Students are working on a school plan to help in this time of need. Stay tuned on this topic as more information will come out next week.

Needing Holiday Help? Check out a [grant](#) provided by Mamas for Mamas charity.

Teamwork makes the dream work with Ms. Payne's Kindies!
